

GO EXPLORE – STUDY ABROAD IN GÖTTINGEN

Go Explore – Study abroad in Göttingen offers exciting exchange experiences for international students in the heart of Germany. Achieve your vision of internationalising your studies while experiencing a special blend of cosmopolitan atmosphere and a long tradition that only Göttingen has to offer.

WHAT IS IT ALL ABOUT?

- Stay in Göttingen for an exchange semester without having to fulfil any German language requirements
- Study tuition-free at the University of Göttingen
- Select courses in the focus areas of sustainability, data science or inequality/diversity, with at least 12 ECTS
- Complete your experience with an introduction to German language and culture (9 ECTS)
- The main language is English

HOW DO I TAKE PART?

You are a master- or advanced bachelor-student at one of our partner universities? Your English skills are at least level B2? Please contact your international office at your home university in order to get nominated as exchange student.
