

Santander Universities Student Tech Prize Draw

Terms & Conditions

Overview

At Santander, we're committed to connecting as many students as possible with the resources they need to make the most of their studies. Santander Universities are providing 10 undergraduates and post-graduates – from all UK universities – the opportunity to win a brand-new Apple MacBook Air M1 (worth £999) to support their university studies. Successful applicants will be able to purchase their MacBook Air directly from the [Santander Aspire webstore](#) (owned and managed by a third party, JS Group).

Before entering the prize draw, please take the time to read through these Terms and Conditions and make sure you meet all the criteria listed below.

Terms & Conditions

These Terms and Conditions apply to the Santander Universities Student Tech Prize Draw (referred to as the "prize draw"). By applying to the prize draw, applicants agree to be bound by the following Terms and Conditions:

1. The Grantor is Santander Universities UK (a division of Santander UK plc, 2 Triton Square, Regent's Place, London, NW1 3AN, United Kingdom).
2. MacBook Air is a trademark of Apple Inc. This promotion is not conducted in association with or endorsed by Apple Inc.
3. To enter, you'll need to meet the following eligibility criteria:
 - a. You must currently be studying an undergraduate or postgraduate degree (during the 2023/2024 academic year) at any UK university. You can also enter if you're doing a degree apprenticeship.
 - b. You must be a UK resident.
 - c. You must be able to provide a valid university student ID number.
 - d. You must confirm which UK university you attend.
4. You can enter the prize draw via Santander Open Academy any time from 09:00 (GMT) on 15/01/2024 until 23:00 (GMT) on 29/02/2024. Santander Universities reserves the right to close the prize draw early in exceptional circumstances (acting in its discretion).
5. Entries not submitted in accordance with these Terms and Conditions, or entries which are delayed, duplicated, incomplete, illegible, mislaid or lost through technical problems will be disqualified. No responsibility is accepted for such entries. Proof of submission online will not be accepted as proof of submission.
6. You can only enter the prize draw once.
7. It is your responsibility to ensure you read and understand the eligibility criteria and submit your entry appropriately, on time and following the entry instructions/requirements as indicated on Santander Open Academy.
8. Santander Universities will select 10 winners at random using an online random-selection platform. If you want to find out more about this process, please contact santander.universities@santander.co.uk.
9. Once the 10 winners have been identified, Santander Universities will verify their student status.
 - a. As part of this verification process, Santander Universities will share the winners' names, email addresses and student ID numbers with their respective universities. This will take place prior to the results being announced, and will only apply if the winners attend a partner university (you can see a list of our partners [here](#)).
 - b. If the winners attend a non-partner university, Santander Universities will confirm the verification process directly with the winner(s) ahead of the results being announced. The respective winner(s)

must then verify their eligibility by meeting the requirements outlined. Santander Universities will make 2 attempts to contact the winner(s) by email, with at least 24 hours separation between them, and a phone call if a valid phone number is provided. If after this, Santander Universities decides that it's not possible to get in touch with the winner(s), a new winner will be selected at random among the remaining applicants following the original process.

- c. Should the selected winners or respective partner universities not be able to verify the student status, a new winner will be selected at random to receive the MacBook instead.
10. If successful, you'll receive an email directly from the Santander Open Academy Platform which confirms that you've been selected as a winner. Upon receiving this, you must accept the MacBook before 13/04/2024. You can do this by clicking on the link in the email. You could also accept directly by logging into Santander Open Academy and viewing 'My Applications'. If, after 2 email attempts with at least 24 hours separation between them and a phone call (if a valid phone number is provided), Santander Universities decides that it is not possible to get in touch with you to confirm acceptance of the MacBook, a new winner will be selected among the remaining applicants following the original process.
11. If successful, and once you've accepted the MacBook, Santander Universities will share your details with JS Group (the third party managing the Santander Aspire webstore) within 7 days after the MacBook acceptance window closing on 13/04/2024. JS Group will create your account on the [Santander Aspire webstore](#) so that you can purchase your Apple MacBook Air. We encourage you to review JS Group's privacy notice to understand how they'll store and process your personal data when you use the webstore.
12. If successful, you'll be able to purchase an Apple MacBook Air 13-inch: Apple M1 chip with 8-core CPU and 7core GPU, 256GB, 8GB in Space Grey, worth £999. JS Group will ring-fence your funds specifically to purchase your MacBook Air. You won't be able to purchase any other items with the allocated funds.
13. If successful, you'll have 12 months to purchase your MacBook Air. This will start from the date when you receive your log-in details from JS Group. The credit applied to your account will be removed after the 12-month period.
14. The winners' surname and county will be available on request after 04/04/2024 for 30 days. Please contact santander.universities@santander.co.uk to obtain these. The winners' information and winning entries (if applicable) must be provided to the Advertising Standards Authority on request in the event of a dispute.
15. If successful, you may be invited by Santander Universities or by your university (if you attend one of our partner universities) to provide a testimonial or case study. Please note, we will not publish a testimonial or case study without your permission.
16. Please be aware that, if you are identified as a winner and you attend a partner university, the Grantor will inform your university of your success.
17. Please be aware that if requested by a partner university, and if you have provided consent, Santander Universities will inform your university of your entry into the prize draw.
